ADMISSION REQUIREMENTS
(application discarded ex officio if not respected)

Bachelor student enrolled at 1st year:
1° call: you don’t need to have cfu registered in the booklet!
2° call: only if there are at least 15 cfu in the booklet!

Bachelor student enrolled to the 2° or 3° year:
only if 40 cfu are registered in the booklet

Master’s degree student
no pre-requirements (already 180 cfu)
ERASMUS School of Engineering - selection features

- max 2 destinations!
- Application assessed by location based on:
  a) Merit (average and credits achieved)
  b) Productivity (how many credits in how long)
  c) Seniority of enrollment (how many years from the very first matriculation)

Any additional points freely assignable by the Exchange coordinators for:
- language skills
- other (thesis, foreign experiences, ...)

Priority in the ranking normally given to students:
- of the Degree Course for which the flow was born
- advanced level (Master’s, Doctorate)
- at the first Erasmus in the same cycle of studies
You do NOT have to have a specific language level to apply BUT if required by the foreign University, it is compulsory after you have been selected.

The University Language Centre organises free language courses (after the publication of the rankings).

BETTER to apply for locations that you already have knowledge of.

LANGUAGE TESTS
for students applying in the 1st call, on 13 and 14 Jan 2022

Enrolment deadline: 7.1.2022
Certificates issued to winners only!
Before applying always consult the website of the Host University to:

- verify the course offer
- check deadlines for the application form
- check language requirements

Also consult:
the main Projects and Mobility Office site
https://www.unipd.it/en/erasmus-studies-out

and the page of the Erasmus Engineering Office
